#### **5-1. General**

The Board will evaluate the performance of AGR soldiers and their potential for increased responsibility as attested by OERs, NCOERs, and academic reports. Performance evaluations will be submitted on those AGR soldiers not requiring an NCO-ER. It is not the responsibility of the Board to screen AGR records to determine whether they have met the administrative requirements of the AGR Program. AGR Continuation Boards will not be used to terminate the AGR orders of soldiers who should have been removed from the AGR Program under provisions of paragraph 6-4 or 6-5 of this regulation. Only those determined by the Board to be fully qualified for continuation will be so recommended.

#### **5-2. Responsibilities**

(3) Publish a Memorandum of Instruction (MOI) for use by AGR Continuation Board members. The MOI will include the composition, administrative support, and Adjutants General guidance on the conduct of the Board.

(4) Provide a qualified technical advisor from the AGR Management Section to assist the President with technical questions pertaining to the AGR Program and soldier's records.

(5) Ensure AGR Continuation Boards are conducted a minimum of 60 days prior to expiration of AGR soldier's current assignment.

(6) Notify soldiers, in writing, of the Board results NLT 30 days after TAG approval of Board proceedings.

(7) Separate soldiers not recommended for continuation in the AGR Program 90 days following notification of Board proceedings, unless earlier release is requested by the soldier. Publish orders for soldiers recommended for continuation.

(8) Provide the reasons for AGR soldiers not continued, if requested by the AGR soldier.

(9) Maintain Board proceedings in a central file in the AGR Management Section for a minimum of 3 years, or until the next AGR Program Management Evaluation is completed.

### 5-3. AGR Continuation Boards

(1) Boards will be comprised of at least three members who are senior in grade or date of rank to AGR soldiers under consideration.

(2) Board members do not sit on consecutive boards.

(3) Soldiers being considered will not be appointed as AGR Continuation Board members.

(4) All Board members will be present for all sessions.

(1) AGR soldiers will not appear in person before a Board on their own behalf or in the interest of other soldiers.

(2) Soldiers may write a letter to the AGR Continuation Board President inviting attention to any matter of record the soldier feels is important to the evaluation process. Boards members may consider such correspondence from AGR soldiers.

(3) Unsolicited correspondence including commanders recommendations which contains criticism or reflect upon the character, conduct, or motives of any AGR soldier will not be given to the Board.

(4) The Board will evaluate each AGR soldier's record for demonstrated performance and determine the potential to accept responsibilities and perform at current and higher level assignments.

(5) Proceedings will be conducted in closed session.

(6) The Continuation Board will determine the reasons for non-continuation of AGR soldiers and provide them to the Adjutant General.

#### **5-4. Retention beyond mandatory release date from Active Federal Service**

In addition to the provisions of AR 135-18, paragraphs 4-11c and 4-12, the following apply:

a. Requests from Adjutants General to retain AGR soldiers beyond 20 years of Active Federal Service (AFS) for officers and warrant officers or enlisted soldiers' mandatory release date in Table 5-1, will comply with the following requirements.

(1) Requests will be forwarded to Chief, NGB, Attention NGB-ARM, Washington DC, 20310-2500, for final determination by the Secretary of the Army.

(2) Requests will contain the results of the most recent

APFT and OERs or NCOERs for the past 3 years, DA Form 2-i, and the personal recommendation from TAG indicating that this is the only soldier available at the current time to accomplish that particular mission.

**Note:** The most important fact to consider in the decision is that this soldier is not only the best available, but the only one available.

(3) Requests should be forwarded to NGB-ARM 12 months prior to the soldier completing maximum years of Active Federal Service.

a. Extensions beyond 20 years of AFS for officers or completion of maximum years of AFS for enlisted soldiers are normally short term until the incumbent can be replaced by another AGR soldier with the required expertise.

(1) AGR soldiers within 2 years of becoming eligible for retired or retainer pay will not be

## **Chapter 6 Separation**

involuntarily released from FTNGD unless release is approved by the Secretary of the Army.

(2) Process recommendations for active duty length of service retirement actions per AR 635-100 (Officers) or AR 635-200 (Enlisted) AR 635-10 and this regulation.

c. The SPMO will initiate separation and REFRAD actions as soon as possible after approval.

d. AGR soldiers may request a release from active duty (REFRAD) physical prior to release from FTNGD. SPMO will advise AGR soldiers of this provision. However, failure to complete REFRAD examination will not be grounds for retention in AGR status on FTNGD.

#### 6-2. Medical separation

a. AGR soldiers undergoing extensive medical treatment, or medical board proceedings for line of duty (LOD) related injuries or diseases will be retained in AGR status until final disposition by medical authorities.

b. AR 635-40 will be used to separate AGR soldiers as a result of physical disabilities.

#### 6-3. Voluntary separation

a. Requests for voluntary separation will be forwarded through command channels to the SPMO.

b. NGR 600-100 and NGR 600-200 apply to pregnant soldiers requesting voluntary separation.

c. SPMO will ensure that service obligations are satisfied before approving requests for separation or retirement. See AR 351-1, paragraph 8-3.

d. SPMO will develop procedures to inform AGR soldiers of

the provisions of AR 135-18 paragraph 2-3i prior to approval of requests for separation.

e. AGR soldiers will not be separated under provisions of this paragraph until final approval of The Adjutant General or a member of the primary staff as defined within this regulation.

f. SPMO will request separation orders IAW NGR 310-10. DD Form 214 will be prepared for AGR soldiers separated under provisions of this paragraph.

#### 6-4. Mandatory separation

AGR soldiers will be separated without Board action for reasons stated below regardless of the expiration dates of their current periods of duty. Retention is not authorized. Separation for cause procedures need not be used. Soldiers will be given at least 30 days notice of separation.

a. Separation is required when--

(1) Officers reach MRD IAW NGR 635-100 or complete 20 years of Active Federal Service IAW AR 635-100.

(2) Enlisted AGR soldiers reach age 60. Extensions are not authorized.

(3) Enlisted AGR soldiers complete total years of Active Federal Service for current grade per table 5-1 of this regulation. Extensions must be approved by NGB-ARM, Washington, DC 20310-2500.

(4) Failure to obtain, or the loss of required security clearance.

(5) Conviction by civilian or military authorities for a disqualifying offense UP of NGRs 635-100, 600-100, 600-101, 600-200.

(6) AGR soldier has lost Federal recognition.

(7) Officers twice non-selected according to provisions of AR 135-155.

(8) Failure to successfully complete PDP requirements.

(9) AGR soldiers have been non-selected by an AGR continuation board.

(10)) Failure to meet MOS or AOC qualification standards.

b. AGR soldiers will not be separated under provisions of this paragraph until final approval by The Adjutants General.

#### **6-5. Separation for cause and procedures**

AGR soldiers will be involuntarily separated for cause from Full-Time National Guard Duty IAW the provisions and procedures of this paragraph. Adjutants General will review all recommendations for separation under this paragraph and will make the final determination. This authority will not be delegated. Adjutants General, as the approving authority, may not initiate separation actions under provisions of this paragraphs.

a. Guidelines for involuntary separation.

(1) Counseling or a letter of reprimand will be initiated by a commander or supervisor when an individual's degree of efficiency, manner of performance of duty, military conduct, or the commission of any derogatory act makes such action appropriate. Normally, counseling statement(s) or a letter of reprimand will be documented in individual's military records according to AR 600-37 before initiating involuntary separation actions against an AGR member, unless the reason for release would not require such action. Individuals being counseled will verify acknowledgment of counseling session(s).

(2) When deciding whether to initiate procedures for involuntary separation, the following factors may be considered:

(a) The seriousness of

the events or conditions that form the basis for initiation of separation proceedings. Also consider the effect of the member's continued retention on military discipline, good order, and morale.

(b) The likelihood that the events or conditions will continue or recur.

(c) Whether the actions of the member resulted or are likely to result in an adverse impact on accomplishment of unit missions.

(d) The member's ability to perform full-time support duties in a reasonable manner.

(e) The member's potential for further service.

(f) The member's military record. This includes past contribution to the ARNG, assignment, awards and decorations, evaluations, ratings, letters of commendation, letters of reprimand or admonition, counseling records, records of nonjudicial punishment, and records of involvement with civilian authorities; and any other matter deemed relevant by separation authority.

(g) Possibility of re-assigning member.

b. In addition to the provision of AR 135-18 paragraphs 5-1b(1) and 5-1c the following apply:

(1) Involuntary separation for cause recommendations will be made by the commander or supervisor at the level commensurate with the AGR soldier's full time duty position (FTS Staffing Guide Position).

(2) This commander or supervisor will refer the written recommendation for involuntary separation to the AGR soldier for comment.

(3) The AGR soldier will be given 15 days from receipt to rebut or comment and return the

recommendation to the commander who will forward through command channels to the Adjutant General.

(4) AGR soldiers may be given the opportunity but will not be required to request voluntary release in lieu of involuntary separation.

(5) AGR soldiers pending involuntary separation under this paragraph will be advised of and provided assistance, if they request, of a JAGC officer in preparing rebuttals. If JAGC assistance is not reasonably available, the 15 day provision in paragraph 6-5a(3) may be waived by The Adjutant General.

(6) Include in orders for soldiers released from FTNGD a statement regarding entitlement to separation pay under 10 USC 1174(c)(1) and (2) if applicable. See DODPM, paragraph 40422 and AR 37-104-3 paragraph 30-11.

(7) The AGR Management Section will prepare DD Form 214 IAW AR 635-5 and AR 635-5-1.

c. Reasons for involuntary separation under this paragraph include--

(1) Inappropriate professional and personal conduct.

(2) Moral or professional dereliction.

(3) Loss of professional qualifications required for the performance of assigned duties.

(4) Substandard duty performance.

(5) Acts of expressed sentiments of racism, sexism, or prejudice against ethnic or religious groups.

(6) Failure to attain and maintain medical, physical fitness and weight standards.

#### **6-6. Elimination or downgrade of SPMD position**

AGR soldiers affected by changes in FTS staffing guide requirements, end-strength and grade ceiling limitations will be administered as follows:

a. The SPMD will establish procedures to select fully qualified soldiers for reassignment from AGR soldiers affected by force structure changes or changes in FTS staffing guide requirements.

b. AGR soldiers may be retained in an excess or overgrade status, as appropriate, for not more than 1 year after the effective date established by NGB-ARM.

c. AGR soldiers carried in an excess or overgrade status due to force structure changes, or changes in FTS Staffing Guide requirements will be offered, in writing, the opportunity to fill vacant positions. These soldiers will be given priority over other soldiers in filling vacant, authorized positions for which they are qualified.

d. AGR commissioned and warrant officers carried in excess status and not reassigned to valid SPMD positions within 1 year after the effective dates established by NGB-ARM will be separated from the AGR Program.

e. AGR enlisted soldiers who are in overgrade status 1 year after the effective dates established by NGB-ARM will be reduced to the authorized military grade of the SPMD position or be separated from the AGR Program.

#### **6-7. Retirement processing**

Satisfactory service in AGR status, Full-Time National Guard Duty, is creditable as qualifying service for both Active Service (10 USC 1293, 3911, 3914, and 3917) and Non-Regular Service retirement (10 USC 1331).

a. AGR commissioned and warrant officers will retire after completing 20 years Active Federal

Service unless extended by proper authority. Requests for retirement will be processed IAW AR 635-100, 635-101.

b. Enlisted soldiers will retire in the grade held on the date of retirement IAW AR 635-200, chapter 12. Those who are eligible under 10 USC 3964 will be advanced to the highest grade held satisfactorily on active duty when their active duty plus retired service equals 30 years.

c. Officer retirement packets will be forwarded to NGB-ARP for initial processing and publication of retirement orders. In addition to documents required in AR 635-100 include--

(1) DA Form 1506 (Statement of Service).

(2) All DD Form 214's.

(3) All NGB Form 23's and/or other reserve forces component retirement point sheets.

d. AGR enlisted soldiers will submit requests for retirement IAW AR 635-200 and state policy to the Adjutant General who is the approval authority.

e. States make arrangements with servicing STA/STP for processing soldiers for final separation/retirement (AR 635-10) and discharge from the State.

f. SPMO will notify AGR soldiers of 18 years active Federal service and basic retirement information and processing requirements.

**APPENDIX B****Certificate of Agreement and Understanding****Section I. Applicability**

**a.** Army National Guard commissioned officers, warrant officers, and enlisted soldiers applying for initial entry into the Active Guard/Reserve (AGR) program must sign this certificate of understanding and agreement prior to issuance of AGR orders.

**b.** This form will be completed only once and will remain in force during the entire period the individual serves on Full-Time National Guard Duty, unless certificate is revised by CNGB. Individuals who incur a break in service of more than 24 hours will be required to complete a new certificate prior to issue of AGR orders.

**c.** A copy of this certificate will be given to the individual, and a copy will be filed permanently in the AGR Management files.

**Section II - Active Guard Reserve (AGR) Conditions and Obligations**

(Soldier will initial on appropriate line)

\_\_\_\_\_ I am applying for an initial AGR Full-Time National Guard Duty under Title 32 USC 502(f).

\_\_\_\_\_ If ordered to Full-Time National Guard Duty, I will not be reassigned for at least the first 18 months of my initial tour, except as prescribed in (7) below. If my current AGR tour is extended with my consent, or if I enter a subsequent AGR tour, I am aware that I may be reassigned without my consent and without geographical limitations within the boundaries of \_\_\_\_\_ to meet the needs of the service at that time, or at any time thereafter. I understand that failure to comply with orders may subject me to appropriate administrative action and proceedings under \_\_\_\_\_ Code of Military Justice.

\_\_\_\_\_ (All soldiers must initial this line). I understand that upon initial entry in the AGR program:

**a.** I will be subject to the \_\_\_\_\_ Code of Military Justice.

**b.** I will be managed under the regulations and policies that apply to the Army National Guard.

**c.** I will be eligible for consideration for retention on Full-Time National Guard Duty by meeting the requirements established for the AGR Program, provided an authorized AGR position is available.

**d.** I am aware that prior to completing my initial 3 years in the AGR program and every 5th year thereafter my records will be reviewed and evaluated by an AGR Continuation Board. This Board will make recommendations to the State Adjutant General as to my continuation in the AGR Program. The decision of the Adjutant General as the approving authority is final. Recommendations will be based upon criteria established by regulations, manner of demonstrated performance, and compliance with AGR Program policies.

20 February 1990

e. I am aware that the AGR Program will require successful completion of resident and non-resident courses of instruction given by military or civilian institutions. Residency at such institutions may require periods of time away from family and duty station. Failure to satisfactorily complete a course of instruction is grounds for separation from the AGR program.

f. I am aware that continuation in the AGR Program beyond my initial orders or any subsequent orders is neither mandatory nor automatic.

**g.** I am aware that during the first 18 months of my initial period of duty in the AGR Program, I will be subject to the following:

(1) If the ARNG seeks to utilize my services elsewhere as a result of my demonstrated ability, but not as a result of job elimination or promotion selection, and if such a transfer would require a Permanent Change of Station (PCS), I have the option to accept or decline the re-assignment order.

(2) I am also aware that I may be subject to or may be offered the opportunity to relocate to another assignment and/or PCS to another AGR position for which qualified if my present FTS position is abolished or downgraded as a result of changes to force structure or manpower authorizations.

(3) I may be reassigned to another unit, location, or duty assignment when directed by the needs of the service. When possible, the reassignment will be to a position commensurate with the military grade established for the full-time support position and MOS. Reassignment beyond a reasonable commuting distance, requiring PCS according to the Joint Federal Travel Regulations, is not authorized during my stabilized tour of duty, except as provided in paragraph **g(1)** or **(2)** of this certificate.

h. I am aware that when I enter on Full-Time National Guard Duty I must enroll in the Army Standard Pay Method (SURE-PAY) program and that I will be paid via the Direct Deposit/Electronic Funds Transfer system to a financial institution of my choice for credit in my personal account.

i. I understand that entry on Full-Time National Guard Duty as an AGR soldier does not make me eligible for Active Duty Veteran's Administration educational benefits.

j. I am aware that my voluntary entry into the AGR Program does not guarantee that I will attain 20 years of Active Federal Service for retirement.

### Section III

I have been counseled on and understand all of the conditions and service requirements in this certificate. No other conditions or promises were made to me as a condition of my service on Full-Time National Guard Duty in the AGR Program.
